Petite Ecole Bilingue

French and English Preschool and Kindergarten for children 2.5 through 6 Years of Age

Fact Sheet

Today's increasingly interconnected countries have created enormous demand for people who can work in a variety of languages and cultures. Children educated in such an international environment are at a definite advantage.

Petite Ecole Bilingue's structure is unique in the City of Philadelphia. Petite Ecole Bilingue provides students with a multilingual and multicultural environment that mirrors the guidelines of the French Ministry of National Education and the Pennsylvania Office of Child Development and Early Learning academic programs. Petite Ecole Bilingue offers a solid academic base as well as a linguistic gateway for children who will become future leaders in Philadelphia and across the globe.
